Subject: Interview request for Alan Watt
To: Alan Watt

I am making this interview request for Alan Watt. This is Melissa Melton with Truth Stream Media and working with Aaron Dykes a former Infowars employee.

I like to interview him over the very subject he has been talking about. Like about the music culture, stuff like that...

I like to know what day and time you can give me. Whatever time you can give me will be great for me and Aaron. Aaron may have a few questions for you as well.

We accept skype, paypal, phone, and even video interviews.

Thanks!

Hello Melissa, I can probably do something in December and I'll get back to you with a date soon. Thank you. All the best, Alan
